

148009

**Central plate for fibre-optic couplings Duplex SC Central plate system, polar white glossy**

**Technical features**

**Connectivity**

|                           |                                  |
|---------------------------|----------------------------------|
| Fibre-optic connector     | for 1 or 2 fibre-optic couplings |
| - with 30° oblique outlet |                                  |

**Materials**

|                       |               |
|-----------------------|---------------|
| Colour of design line | polar white   |
| Colour                | polarwhite    |
| Material              | Plastic/metal |
| Surface appearance    | glossy        |

**Installation, mounting**

|                       |                        |
|-----------------------|------------------------|
| Installation mode     | without spreader claws |
| - 1 knock out opening |                        |

**Equipment**

|                         |  |
|-------------------------|--|
| - with supporting plate |  |
|-------------------------|--|

**Identification**

|                          |                                                                |  |
|--------------------------|----------------------------------------------------------------|--|
| Application, usage       | Communication technology                                       |  |
| Main design line         | Central plate system                                           |  |
| Secondary design line(s) | Communication technology, Berker S.1, Berker Arsys, Berker K.1 |  |

**Instructions**

|                  |                                                                                                               |
