

75900019

Programming magnet KNX, white

Technical features

Architecture

Fixing mode	other
-------------	-------

Materials

Colour independent of design lines	white
------------------------------------	-------

Connection

- for programming reed contact

Accessories included

Replacement	replacement
-------------	-------------

Safety

Halogen free	yes
--------------	-----

Identification

Application, usage	KNX - actuators
Main design line	KNX
Secondary design line(s)	ACCESSORIES
