

12033522

IP55

Aerial socket 2hole with hinged cover surface-mounted, throughpass socket Berker W.1, polar white matt

Technical features

Connectivity

- with IEC jacks (male/female)
- for terrestrial reception
- for digital and analogue transmission

Cover, door

- with transparent hinged cover

Materials

Colour	polarwhite
Surface appearance	matt

Connection

- with screw terminals

Cable

- with one entry for 2 cables and one entry for cable and tube

Standards

General standards	DIN EN 50083-2
-------------------	----------------

Safety

Protection index IP	IP55
---------------------	------

Use conditions

Operating temperature	-40...30 °C
Storage/transport temperature	-50...50 °C

Identification

Application, usage	Communication technology
Main design line	Berker W.1

Instructions

Information text	Hinged cover springs made of stainless steel, pins of quick-release lock made of ZAMAK
