75940402

Central plate for sensor insert Central plate system, white glossy

Technical features

Detection

- e.g. for temperature sensor PT100	

Materials

Colour independent of design lines	white
Colour	white
Material	thermoplastic

Installation, mounting

Installation mode	clamp fastening
- with slots for air circulation	

Identification

Application, usage	HVAC control, KNX - sensors
Main design line	Central plate system
Secondary design line(s)	Central plate system, Berker Arsys, Berker S.1, Berker K.1
