UNIVERSAL SERIES TOUCH DIMMERS

Universal series touch dimmer
1 **2901**

230 V~, 50/60 Hz
Incandescent lamps and HV halogen lamps
50 - 260 W;
Electronic transformers 50 - 260 W;
Dimmable conventional transformers 50 - 260 VA;
Universal boosters max. 10 phase cut-off 1gang
à 500 W;
Univ. Tronic or LV power boosters built-in/RMD
max. 10 for same load type
Trouble-free operation only with Berker Tronic
transformers.

Case of excessive making currents (for conv.
transformers), use making current limiters
order no. 0185.

Do not connect conventional transformers together
with electronic transformers to one output.

for order-no. 1765 ..

- for 2 independent lighting groups
- an extension input for both series by means of BLC extension unit
- switch-on brightness retained for series on mains power failure
- bulb-preserving soft startup
- very low noise
- short-circuit and overload proof (electronic fuse)
- phase cut-on or cut-off per series according to load type, „self-learning“
- with screw terminals

UNIVERSAL SERIES TOUCH DIMMERS, MODUL 2

Button for universal series touch dimmer
white 1 **1765 02**
polar white 1 **1765 09**

for order-no. 2901

- for 2 independent lighting groups
- with 2-push-buttons operation concept per series

UNIVERSAL SERIES TOUCH DIMMERS, S.1/B.1/B.3/B.7 GLAS

Button for universal series touch dimmer
white, glossy 1 **1765 89 82**
polar white, glossy 1 **1765 89 89**
polar white, mat 1 **1765 19 09**
anthracite, mat 1 **1765 16 06**
aluminium, mat 1 **1765 14 04**

for order-no. 2901

- for 2 independent lighting groups
- with 2-push-buttons operation concept per series

UNIVERSAL SERIES TOUCH DIMMERS, K.1/K.5

Button for universal series touch dimmer
white 1 **1765 70 02**
polar white 1 **1765 70 09**
anthracite mat,
lacquered 1 **1765 70 06**
aluminium mat,
lacquered 1 **1765 70 24**
stainless steel 1 **1765 70 04**

for order-no. 2901

- for 2 independent lighting groups
- with 2-push-buttons operation concept per series

UNIVERSAL SERIES TOUCH DIMMERS, ARSYS

Button for universal series touch dimmer
white 1 **1765 00 02**
polar white 1 **1765 00 69**
brown 1 **1765 00 01**
light bronze, metal 1 **1765 00 11**
stainless steel 1 **1765 00 04**
gold, metal 1 **1765 00 12**

for order-no. 2901

- for 2 independent lighting groups
- with 2-push-buttons operation concept per series

UNIVERSAL SERIES TOUCH DIMMERS, TWINPOINT

Button for universal series touch dimmer
polar white 1 **1765 29**
red 1 **1765 62**
black 1 **1765 65**

for order-no. 2901

- for 2 independent lighting groups
- with 2-push-buttons operation concept per series
