

MORE THAN JUST
A BUILT-IN SYSTEM

BERKER THE RIGHT WAY.

Do you know how to design rooms with exceptional ease and with a more individual style? At Berker that's exactly what we've been working on since 1919 and we've found some very interesting solutions.

Switches and systems from Berker are in use across the whole world, to make things more beautiful, more simple and more convenient for people. Our primary aims are centred around quality, design and innovation. This is reflected in numerous awards at home and abroad.

Berker is a leading supplier of high quality electrical installations from timeless, traditional switch designs to intelligent building system engineering. All new developments are created with just one thing in mind: our customers. After all, we want our customers to feel at home with our products over the decades.

Offer your customers more than just products to suit every taste, offer them the state-of-the-art – the right way, with Berker.
