## Tronic rotary dimmer 360 W (R, C) Light control, others

### Technical features

#### Functions

- bulb-preserving soft startup

#### Main electrical features

|                 |       |
|-----------------|-------|
| Nominal voltage | 230 V |
| Frequency       | 50 Hz |

#### Voltage

|                   |          |
|-------------------|----------|
| Operating voltage | 230 V AC |
|-------------------|----------|

#### Fuse

|      |  |
|------|--|
| Fuse | short-circuit and overload proof (electronic fuse) |
|------|--|

#### Power

|                         |            |
|-------------------------|------------|
| Electronic transformers | 20...360 W |
|-------------------------|------------|

#### Materials

|          |                |
|----------|----------------|
| Colour   | not applicable |
| Material | Plastic/metal  |

#### Dimensions

|                  |      |
|------------------|------|
| Axis dimension Ø | 4 mm |
|------------------|------|

#### Incandescent bulbs control

|  |            |
|--|------------|
| 230 V incandescent lamps and halogen lamps | 20...360 W |
|--|------------|

#### Installation, mounting

|                   |                     |
|-------------------|---------------------|
| Installation mode | with spreader claws |
|-------------------|---------------------|

#### Connection

|                        |            |
|------------------------|------------|
| Type of load           | capacitive |
| - with screw terminals |            |

#### Equipment

- phase cut-off
- very low noise
- with change-over pressure switch

#### Safety

|              |     |
|--------------|-----|
| Halogen free | yes |
|--------------|-----|

#### Identification

|                    |               |
|--------------------|---------------|
| Application, usage | Light control |
| Main design line   | Light control |

**Instructions**

Information text

Trouble-free operation will be obtained only with  
Berker TronicÂ® transformers.
