

1680

LED unit with N terminal for series switch Light control, black

Technical features

Architecture

Technical version 230 V~, 0.9 mA each

Main electrical features

Nominal voltage 230 V

Electric current

Rated current 0,9 mA

Materials

Colour independent of design lines black

Lighting control

Type of lamp LED

LED control

Rate current per LED ≈ 0,9 mA

Connection

- with screw terminal

Equipment

- for monitoring circuit per series

Identification

Application, usage Light control

Main design line Light control

Secondary design line(s) Light control, ACCESSORIES

Instructions

- Refer to the overview for the matching flush-mounted inserts.
