product sheet 510110

510110

Technical version	2 separate signal conta
Configuration	
- NO, with separate signalling contacts	
Main electrical features	
Nominal voltage	25
Rated voltage	250 V
Electric current	
Momentary-contact current	
Materials	
Material	Plastic/m
Dimensions	
Depth	30,1
Insertion depth	28,8
Height	70,8
Width	70,8
Incandescent bulbs control	
Incandescent lamp power	max.
Connection	
- with screw terminals	
Equipment	
 for lighting and monitoring circuit 	
Safety	
Protection index IP	I
Identification	
Application, usage	Light cor
Main design line	Light con
