

75940485

**Central plate for sensor insert Central plate system, anthracite, matt**

Technical features

**Detection**

- e.g. for temperature sensor PT100

**Materials**

Colour of design line anthracite

Colour anthracite

Material thermoplastic

**Installation, mounting**

Installation mode clamp fastening

- with slots for air circulation

**Identification**

Application, usage KNX - sensors, HVAC control

Main design line Central plate system

Secondary design line(s) Central plate system, Berker S.1, Berker B.3, Berker B.7, Berker K.1

**Instructions**

Information text Not suitable for rocker push-button switches.
