

75940485

Central plate for sensor insert Central plate system, anthracite, matt

Technical features

Detection

- e.g. for temperature sensor PT100

Materials

Colour of design line	anthracite
Colour	anthracite
Material	thermoplastic

Installation, mounting

Installation mode	clamp fastening
- with slots for air circulation	

Identification

Application, usage	KNX - sensors, HVAC control
Main design line	Central plate system
Secondary design line(s)	Central plate system, Berker S.1, Berker B.3, Berker
	B.7, Berker K.1

Instructions

Information text	Not suitable for rocker push-button switches.
