

75940404

Central plate for sensor insert Central plate system, light bronze matt, lacquered

Technical features

Detection

- e.g. for temperature sensor PT100

Materials

Colour independent of design lines light bronze

Colour bronze

Material / workmanship lacquered

Material thermoplastic

Installation, mounting

Installation mode clamp fastening

- with slots for air circulation

Identification

Application, usage KNX - sensors, HVAC control

Main design line Central plate system

Secondary design line(s) Central plate system, Berker Arsys
