UAE

FCC socket outlet insert 8pole shielded with hinged cover surface-mounted/flush-mounted, cat.6 with labelling field, Berker W.1, light grey matt

Technical features

Architecture

Design to	according to DIN EN 60603-7-5

Connectivity

- with straight outlet
- for RJ11, RJ12 and RJ45 plugs

Voltage

- suitable for PoE+

Frequency

Transmission bandwidth	max. 250 MHz

Cover, door

- with transparent hinged cover

Materials

Colour of design line	light grey
Colour code A and B	according to TIA/EIA-568-B.2
Colour	light grey
Material	Plastic/metal
Surface appearance	matt

- Housing made of die-cast zinc

Connection

Cat.6, Class E	according to DIN EN 50173-1:2011-09
Cat.6/class E	according to ISO/IEC 11801. 2nd edition

- with cutting terminals
- with screen contacting 360° and strain relief

Use

Differentiation characteristic 1 - Sales	with labelling field

Safety

Protection index IP	IP20

- with self-closing dust protection cover before jack

Use conditions

Operating temperature	-40...30 °C
Storage/transport temperature	-50...50 °C

Identification

Application, usage	Communication technology
Main design line	Berker W.1

Instructions

Information text	Hinged cover springs made of stainless steel, pins of quick-release lock made of ZAMAK
