

## LED unit 230 V , for switches/push-buttons Light control, white

Technical features

## Architecture

| Fixing mode | flush-mounting |
| :--- | ---: |
| Technical version | $230 \mathrm{~V} \sim, 1 \mathrm{~mA}$ |

## Controls and indicators

- for rocker push-buttons and multiple rockers push-buttons, except order no. 503404, 503808
- for change-over/intermediate switch and on/off switch, 2-pole, 10 AX

## Main electrical features

Rated current 1 mA

## Endurance

Service life of the LED $\quad \approx 100000 \mathrm{~h}$

## Materials

Colour independent of design lines white
RAL colour RAL 1013- Oyster white

## Equipment

- for lighting and monitoring circuit
- for series switch illuminated

## Identification

| Application, usage | Surface-mounted wet-room installation, Light <br> control |
| :--- | ---: |
| Main design line | Light control control, ACCESSORIES |

Remedy: Carry along a neutral conductor or connect a capacitor $230 \mathrm{~V}(1 \mu \mathrm{~F}$ per 10 mA LED current $)$ in

- Refer to the overview for the matching flush-mounted inserts. parallel with the coil.
- these marked articles (see symbol) are only suitable for the water-protected flush-mounted installation IP44 in conjunction with the corresponding seal, frame and contact protection box (imprint "IP44").
