

1600

**Neon lamp unit for on/off switch 3pole Light control, clear, transparent**

Technical features

**Architecture**

|                   |                |
|-------------------|----------------|
| Technical version | 400 V~, 0.5 mA |
|-------------------|----------------|

**Controls and indicators**

- for on/off switch, 3-pole

**Main electrical features**

|               |        |
|---------------|--------|
| Rated current | 0,5 mA |
|---------------|--------|

**Materials**

|                                    |                   |
|------------------------------------|-------------------|
| Colour independent of design lines | clear transparent |
|------------------------------------|-------------------|

**Equipment**

- for lighting and monitoring circuit

**Identification**

|                          |                            |
|--------------------------|----------------------------|
| Application, usage       | Light control              |
| Main design line         | Light control              |
| Secondary design line(s) | Light control, ACCESSORIES |

**Instructions**

- Refer to the overview for the matching flush-mounted inserts.
