Technical version 3gang Canacity

10136151

Material thermopla Surface appearance r Type of surface treatment untrea Dimensions Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety	Capacity	
Colour du Material thermopla Surface appearance r Type of surface treatment untrea Dimensions Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Number of sockets	3
Material thermopla Surface appearance r Type of surface treatment untree Dimensions Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Materials	
Surface appearance Type of surface treatment Dimensions Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Colour	dune
Type of surface treatment untreatments Dimensions Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Material	thermoplastic
Dimensions Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Surface appearance	matt
Depth 10,1 Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Type of surface treatment	untreated
Height 237,2 Width 95,2 Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Dimensions	
Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Depth	10,1 mm
Installation, mounting Installation mode for vertical and horizontal mounts Safety Protection index IP	Height	237,2 mm
Installation mode for vertical and horizontal mountained	Width	95,2 mm
Safety Protection index IP	Installation, mounting	
Protection index IP	Installation mode	for vertical and horizontal mounting
	Safety	
Identification	Protection index IP	IP20
	Identification
